

# 2021 FOUNDATION ANNUAL REPORT

*Thank you*

**TRINITY COLLEGE**  
THE UNIVERSITY OF MELBOURNE

We offer sincere thanks to Jane Freemantle (Trinity College Council member), who generously supports our choir, including through the Freemantle Family Choral Scholarship.

*'Music leads you in  
chains of gold into the  
heart of God.'*  
-Morley

We believe that by supporting the choristers of the Choir of Trinity College Melbourne we will ensure that these glorious voices will continue to soar and provide such joy to so many people.

One of the great pleasures of my role, and there are many, is being able to slip the following phrase into a conversation, 'Did you know they are an alum of Trinity?'

I get this incredible sense of pride in being able to boast about the achievements of our community. For 150 years, our alumni have made incredible contributions to society, and we can attribute much of this to the generosity of our donors – people like you – across many generations. Thank you for having the foresight to ensure the College continues to produce wonderful contributors to our world.

*Scott Charles (TC 1986)*

**Executive Director of the Foundation  
Deputy Warden and Director of Advancement**

Trinity College celebrates its 150th year sesquicentenary in 2022 and this creates an opportunity for us to reflect on the strengths and resilience of this remarkable institution.

Not least of which is the generosity of our community – and this has been particularly apparent during the challenges in the last few years.

Philanthropy is a key pillar of a successful institution. The philanthropy of Trinity College has given us the ability to continue to progress our programs and implement our strategies with a view to assisting our students to imagine and achieve a better world.

Trinity College has had a huge impact on my life. As a fresher, I went in not knowing what was in store for me, and left with an expanded world view, increased confidence, a great group of friends, and a community that I know will be with me forever. It is my hope that many more students get to experience what I did, so I am very happy to donate to the College. Helping to shape the next generation of leaders is most certainly a worthy cause.

*Senior Student 2022*

My three years at Trinity have really proven to me just how strong the community is. Despite lockdowns and disruptions to our academic, sporting, cultural and social lives – the students at Trinity were resilient, supportive, and always managed to have plenty of fun! I consider myself very lucky to have had access to the unique programs and facilities at Trinity throughout such uncertain times and realise that this did not happen by accident. I want to say a huge thank you to all of the donors who continue to support us – because of you, I know 2022 will be a year to remember at Trinity!

# Funds' performance

The Trinity College Foundation received \$1.9 million in donations in 2021, and earned a further \$2.6 million of income from its investments. At the end of 2021, the foundation had a total of \$46.5 million in assets under management and \$5.7 million in loan to the College. Net assets of the foundation were \$54.7 million.

The Trinity College Foundation uses an independent investment advisor (Jana Investment Advisers Pty Ltd) to help manage its growing pool of assets. The assets of the foundation are currently invested in a mixture of Australian and international equities, debt and liquid securities. The foundation does not invest directly, but uses recommended fund managers specialising in the various market segments.

The weightings of the various segments determine a benchmark portfolio return against which the results of the investment managers are measured. The overall objective is to maintain the corpus of the foundation funds in real terms so inflation does not diminish the purchasing power of the endowed funds over time. The investment return target of the foundation

is CPI plus five per cent. As a public ancillary fund, the foundation is required to distribute at least four per cent of its net assets each year.

For 2021, the returns were as follows.

Performance to 31 December 2021	1-yr % pa	5-yr % pa	Since inception 2001/02 % pa
Trinity College Foundation	13.7	8.7	8.5
SAA – Medium term	14.8	9.6	7.6
SAA – Long term	15.4	10.1	-
Australian CPI + 5%	8.5	7.0	7.0

#### Notes:

*Strategic asset allocation (SAA) – Long-term benchmark inception date is 1 March 2020*

*Strategic asset allocation (SAA) – Medium-term SAA most recent change as from 1 March 2020*

The following table shows donations, investment income and disbursements to Trinity College over the last five years.

	2017	2018	2019	2020	2021
Donations	\$1.2m	\$1.8m	\$3.3m	\$2.4m	\$1.9m
Investment income	\$4.7m	\$3.0m	\$2.1m	\$2.2m	\$2.6m
Disbursements	(\$1.5m)	(\$1.6m)	(\$1.5m)	(\$1.9m)	(\$2.0m)

**Please note that philanthropic funds are also held within Trinity College.**

Nick Freeman (TC 1986)  
and Christie Freeman (nee  
Kimpton) (TC 1989)

Back in 2012, a very nice student called us from Trinity. Before we knew it, we were in a lively discussion around Trinity experiences past and present. We knew then it was time to start contributing to Trinity's future. It's had such a positive impact on our lives and, now that we are in a position to do so, we are pleased to make a small contribution to this continuing.
