

Policy: Trinity College Pathways School U18 Shared Accommodation Policy

Policy Type:	Divisional Policy
Policy Number:	TCDP04
Date Approved:	05 May 2020
Previous Policy:	Trinity College Pathway School U18 Shared Accommodation Policy
Review Date:	July 2022

1 OBJECTIVES

- 1.1 The purpose of this policy is to identify the procedure for shared accommodation for students who are under 18 years of age. This policy should be read in conjunction with the Trinity College Pathways School Student Code of Conduct and the Trinity College Pathways School Complaints Policy and is designed to eliminate complaints concerning shared accommodation.

2 SCOPE

- 2.1 This policy applies to all Trinity College Pathway School students, who are under 18 years of age and living in accommodation approved by Trinity College.

3 POLICY

- 3.1 Trinity College Pathways School acknowledges that from time to time disputes may arise between students who are sharing accommodation and between accommodation providers and students.
- 3.2 Trinity College Pathways School does not assume responsibility for personal disputes that arise between students or between the student and the accommodation provider.
- 3.3 Trinity College Pathways School Housing and Accommodation Office will, where possible, assist students to resolve concerns or complaints by providing appropriate advice and a prompt and fair process.
- 3.4 The approved accommodation sharing arrangements are outlined in Schedule A.

- 3.5 The principles of natural justice apply at all stages of the complaint resolution process. Those involved in the complaint resolution process have a duty to act fairly, impartially and without bias. Where there is a risk of a conflict of interest, the matter should be deferred to another party for resolution. Each party must be given the opportunity to understand the complaint against them and to respond.
- 3.6 Trinity College will endeavour to maintain confidentiality where appropriate, unless required to report the matter to appropriate law enforcement bodies or government agencies.
- 3.7 When there is a request for two students to share one room/apartment, the Pathways School recommends that the arrangements do not proceed with one lease, a head-tenant, a sub-tenant or a co-tenancy.

Shared Accommodation

- 3.8 Trinity College Housing and Accommodation Office recommends that students do not proceed with one lease where the first tenant is called the head-tenant and the second tenant is called the sub-tenant e.g. split lease, mutual agreement. These agreements are referred to as 'Sub-Letting' in the Residential Tenancies Act 1997.
- 3.9 Students are advised that Sub-Letting is where a tenant transfers part, but not all, of their interest under a tenancy agreement to another person. Where a student does proceed with a 'sub lease', it is their responsibility to check
 - a) The period of the sub-lease is no longer than the head-tenant's lease with their landlord
 - b) That the head-tenant has written consent from their landlord to sub-let the property.
- 3.10 In the case that Trinity College Pathways School students seek to sub-let a rental property they must get written consent from the landlord.

Circumstances justifying no shared accommodation

- 3.11 Co-tenants are all parties to the one tenancy agreement or lease together with the one landlord. Arrangements outlined below indicate that it may be a subletting situation:
 - One tenant signed a written tenancy agreement with the landlord and the other did not,
 - One tenant moved in before the other and the later tenant paid bond to the first tenant,
 - One tenant collects the rent from the other and pays the landlord,
 - One tenant is responsible for all dealings with the landlord (e.g. repair requests, giving notice)

None of the above circumstances alone will prove that there is a sub-letting arrangement, as the legal situation depends on the facts in each particular case. While it is not always clear when a sub-letting arrangement exists, the difference between a sublease and a co-tenancy can be important if dispute arises between a student and another tenant.

Administrative Procedure

3.12 In the event that a subletting situation has occurred, the parents of the student are responsible for the agreement. If a cancellation of a tenancy is needed between students they will need to follow the cancellation procedure associated with the lease in accordance with relevant legislation.

3.13 Internal Procedure-

- a) The parents will need to sign a request for permission, a 'Condition Letter'
- b) The parents will need to agree for their children to move and/or change residency (if applicable)

3.14 External Procedure

- a) Trinity College Pathways Students may take the matter directly to the Dispute Settlement Centre <https://www.disputes.vic.gov.au/about-us/civil-mediation-at-vcac-program> , however, both parties to the dispute must agree to go to mediation.
- b) Students needing legal advice are able to contact the Federation of Community Legal Centre <https://www.fclc.org.au/> who provide free legal advice to eligible clients
- c) The Dispute Settlement Centre will assign a Dispute Assessment Officer (DAO) to manage the case to completion.
- d) The DAO can only conduct mediation if both parties are will to attend.
